

JUDGING CRITERIA

COMPETITOR NAME:

DIVISION: AMATEUR / SEMI-PRO / GROUPS

STUDIO REPRESENTING:

JUDGES NAME:

CRITERIA	SCORE
Tricks degree of difficulty (out of 10) The pole/aerial tricks demonstrated show originality, seamless transition and flow well together.	/10
Tricks Strength (out of 10) The tricks performed are strong and the performer is confident executing them.	/10
Extension (out of 10) The moves performed are aesthetically pleasing and the performer is clearly comfortable executing them (this includes moves off the pole eg floorwork).	/10
Performance (out of 10) The performer is confident in making use of the stage, floor, pole, and engages well with the audience.	/10
Costume/Props (out of 10) The performer's theme, props and costume all tie together nicely. Themes are clear in meaning and the performer stands out on stage.	/10
Concept (out of 10) The performance concept chosen is clearly demonstrated by use of character and/or props, music and pole. The idea is original and well-suited to the performer.	/10
Synchronisation (out of 10) – GROUPS DIVISION ONLY Performers are in time with tricks demonstrated separately, as well as together on the pole. Dance moves and floor work off the pole are also well-timed and synchronised.	/10
TOTAL SCORE:	/60 (GROUPS) /70
